WE’RE HIRING!

GRAPHIC DESIGNER

Fellowship Alliance Chapel is looking for a project-based, skilled graphic designer able to use visual communication and design to reach the unsaved in Medford and surrounding towns. The successful candidate will work as a part of the communications team under the supervision of the communications director and be responsible for the creation of print and video designs according to specifications and for managing workflow.

The ideal candidate should be creative, capable of producing impactful designs, have a keen eye for detail, and a willingness to keep up with design trends and responsive web & mobile best practices. Ability to perform in a fast-paced environment is a must. This position will support the design and creative needs of Fellowship Alliance Chapel, including all marketing channels and in-house projects.

The ideal candidate should agree with the statement of faith and enthusiastically support the mission of the church.

RESPONSIBILITIES

Communication Outlets
Develop and design layouts and videos, inclusive of copy and images for digital ads, social media channels, and onsite promotional materials (banners, printed collateral), etc. Create layouts, edit videos and graphics for website and other social sites such as Facebook, Instagram, and YouTube.

Brand Management
Maintain consistency in visual style and branding. Regularly evaluate and develop the church style guide to keep up with changing design trends.

Visual Arts
Conceptualize, design, and implement creative graphics and content, both print and digital, on time and within budget. Implement design elements via WordPress for updates to website. Manage design revisions and approval of artwork and information accuracy.
